Dear Parents / Guardians,

Re: COVID – 19 BREAK

We salute you in the Mighty Name of our Lord Jesus Christ and thank you for all your efforts in this very challenging period.

We appreciate you for the quick response that you used to collect the students following the Presidential directive to close schools due to Covid-19 effective Monday 07th June, 2021. Kindly take good care of them, safeguard them against Covid-19 and any other challenges that may come their way.

The sendoff was on a very short notice; otherwise the management of the school has come up with the following strategies while the students are at home.

- 1) The students will report back when schools officially re-open to cover-up the lost time. There will be no payment of extra fees.
- 2) We shall comply with the government adjustments in the academic calendar accordingly i.e. S.1/S.2 from 19th July 2021 to 3rd September 2021 and S.3/S.5 from 19th July 2021 to Saturday 21st August, 2021.

Note: These dates are subject to change in case of any re-adjustments in the Academic calendar as may be communicated from time to time.

Always endeavor to check for any publications/ Circular on the school website i.e. (<https://seetahigh.ac.ug/>). Go to academics → Publications → Select Campus

- 3) We shall hold online meetings with the Parents' Executive Committees to come up with resolutions on how to manage the period while the students are home.

We once again thank you and pray for God's protection upon you and the family.

Yours faithfully,

MR. ALIBUNDI PAUL
